### **Today in Worship • “Motivated to Finish Strong” • Deuteronomy 23:21-23, 2 Corinthians 9:1-5, Luke 7:36-50.**

Having the right motivation; fulfilling our pledges. The Corinthians had made a pledge to support the churches in Jerusalem (in a sense the “mother church”). However, because of the internal struggles the Corinthians faced in their church, they had not yet fulfilled their promise. This was potentially embarrassing, since the surrounding churches had done what they promised—and all the while Paul had boasted about the Corinthians and their enthusiasm for the Lord’s work. Paul reminds them that their spiritual motivation not only comes from Christ’s example of giving, but also from living up to their calling as leaders in the Body of Christ, as an example to the other congregations. God’s kingdom involves not only the spiritual aspect but also an earthly dimension: it requires the cooperation and contribution of all those who have been blessed with the message of the Gospel. So, it requires a planned strategy and a coordinated effort to be effective in the work God has called us to do. *What is God’s unique calling to us at Prince of Peace? Have we been called to be leaders in Christ’s church, or followers? How does one measure what God has given us—and how do we then measure up to God’s calling?*

This morning we also give thanks to God for our Preschool and how it has blessed our church and our community. We install Mrs. Anne Dobbins as our Preschool Director in our 9:00am worship. Please join us for cake and refreshments between the services. **Stewardship Thought:** We thank God for all the families that have been blessed by our Preschool these 63 years! How many children have learned about Jesus and His love and sung songs to Him? How will God use our Preschool to bless people with His love in the years to come? What has been the impact of investing in our Preschool?
