Easter Sunday

Today in Worship • “Christ Is Risen...and We Are Unafraid” • Matthew 28:1-10; Colossians 3:1-4; Jeremiah 31:1-6 • As we worship the Risen One this morning, we are reminded that Easter is much more than just a story of how Jesus, once dead, lives again. It is God’s victory narrative: Not only did Jesus overcome temptations in this life, He conquered sin at the cross. At the open tomb it is apparent that sin’s dear colleague, death, holds no power of Jesus. Death has been vanquished, and Jesus is alive forevermore. Victory is His to share with all who will come along Him. As we walk with our Risen Lord, His words ring with power in our ears: “Do not be afraid; go and tell.” *Today—and every day with Jesus—it doesn’t matter what is going on in your life. Jesus is greater, and we share in His victory. Allow Him to align your life with His will, and you will never need to be afraid.*

On this Easter Sunday, we want to thank all those who made our worship of the Risen Lord (and this past Holy Week!) so special: Our choirs, musicians, a/v technicians, and worship team; our volunteers who helped welcome, had a role in worship, arranged flowers (Debbie Noss, thank you) and set up for worship; planned or participated in our Community Easter Egg Hunt; and in many, many more ways honored God through supporting others in our worship and praise of Jesus, our Lord who lives forevermore.

Special: Lord Jesus, You are the Risen One. You conquered sin and the power of the evil one—not even death has any hold on You. Grant that we would always live in Your victory. Let the power of Your words wash over us: “Do not be afraid. Go. Tell. • Jesus, bring peace and hope to our world through the power of Your resurrection. Especially be with Christians who are persecuted because of their trust in You. • We ask the Lord to be with President Biden, members of Congress, and the Supreme Court, as well as all state and local leaders. • We pray for those who serve our nation in the armed services. We also ask the Lord to watch over and keep our first responders safe.
